Activities: Slough Libraries are excited to announce this year's Summer Reading Challenge 2023 - **Ready, Set, Read!** The Reading Agency has teamed up with the Youth Sport Trust for a challenge celebrating play and participation. This year's theme will encourage children to engage in reading, games and sport and keep their minds and bodies active over the summer.

Children aged 4 and over can complete the challenge by enjoying six books over the summer, collecting stickers and rewards along the way. Those that finish will be awarded a medal and certificate to mark their achievement. The challenge encourages children to become lifelong book lovers and helps prevent the trend for reading skills to dip over the summer holidays. The fun rewards motivate children to progress through the challenge and it is inclusive to children of all abilities as they can choose any library books that appeal to them to count towards the challenge.

It's free to take part - children just need to be library members. It's quick and easy to join.

Twelfth Night, 28 July

Join us at Langley Park for Shakespeare as it's meant to be: interactive, fun, and highly accessible!

Summer 2023 will see audiences treated to a laugh-a-minute adaptation of Shakespeare's riotous comedy, "Twelfth Night"!

Duke Orsino loves Olivia. Viola loves Orsino. What's Viola to do? Why, disguise herself as a man in order to get close to the Duke, of course!

There's only one small problem. Oblivious to this, Orsino sends Viola - who he believes to be a man called Cesario - to woo Olivia on his behalf. In true Shakespeare fashion, Olivia immediately falls desperately in love with Cesario and so follows a wild, whirlwind comedy of love triangles, mistaken identities, and the mayhem of love!

Throw in an identical twin, live music, audience participation, and yellow stockings, and you have all the ingredients for an unmissable production.

Multi award-nominated Immersion Theatre have developed a reputation for producing first class, fast-paced adaptations of Shakespeare's plays. This is Shakespeare as it's meant to be: interactive, fun, and highly accessible.
