

# Peek at the Week

## Nursery– 12th July 2024

### Our Learning

#### Personal, Social & Emotional Development

As part of our Jigsaw PHSE we have been looking at how plants, animals and us as children grow and change. We looked at the vegetables that we planted and talked about all the changes they have made since we planted them. We are looking forward to when they are ready to harvest!

#### Communication & Language Development

Each week we visit our Enchanted Library for a story time. We have really shown development in our listening and attention skills and have become better at answering questions about the story.

#### Physical Development

We have been following writing patterns and looking at the different letter shapes in our names. We have been looking at the Phonic picture cards to see which of them we have in our names and seeing if we can write them.

### Sports Day: 18th July

10am for AM parents

2pm for PM parents

Parents of 30hr children can choose which one they would like to attend.

### Nursery last day of term

Wednesday 24th July

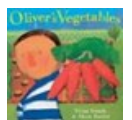

(usual finish times)

It has been a busy but strange week in nursery as so many children have been absent with 'Chickenpox'. We hope that they all get better and are ready for Sports Day next week.

**Child of the week: Aarush** for being more confident making new friends and trying hard with his pen hold and control.

Next week we will be reading **Oliver's Vegetables**. Please share this video and encourage your child to watch and follow. <https://www.youtube.com/watch?v=axu1ZCZynRg>
