

Peek at the Week

Nursery – 14th June 2024

Our Learning

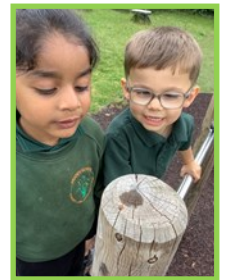

Personal, Social & Emotional Development

As part of our Jigsaw PHSE programme, we have been talking about our amazing bodies and what the different parts of them do. We talked about having respect for our bodies and looking after them.

Communication & Language Development

We have been focusing on our listening skills this week. Listening to each other, taking turns to talk and then remembering what has been said to us. We have been using lots of descriptive words to describe the mini beasts we have been finding in our garden.

Physical Development

We have been doing lots of mark making this week. Making dinosaur footprints and practicing writing our name and other letter shapes.

Parent Forum: 24th June 2pm

Learning together 'play and stay sessions': 24th, 25th and 27th June.
(please refer to individual times sent out on invite letter)

Sports Day: 18th July

We have been talking about the different shaped bricks that we have been using to build with. We have made some fantastic constructions this week.

Child of the week: Oscar for beginning to communicate his needs more and showing more focus in small group activities.

Please share this video and encourage your child to watch and sing along. **'There's a worm**'
