

Peek at the Week Nursery 15th March

Our Learning

Red Nose Day

Thank you for all your donations for the Comic Relief charities.

End of term

Nursery will finish the term on:

Wednesday 27th March. (Usual session times)

Personal, Social & Emotional Development

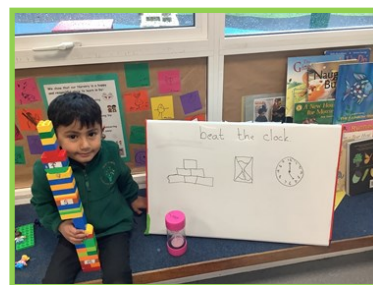

As part of science week, we have been thinking about 'the passage of Time'. We have been talking about the different things we do during the day and about routines. We have been talking about our bedtime routine and the importance of sleep.

Communication & Language Development

We have been looking at different words to describe the times of the day. 'morning, nursery time, lunchtime, afternoon, home time, dinnertime, evening and bedtime'. Can you think of others with your child?

Physical Development

We have been seeing how high we can build a tower before the sand falls through the sand timer.

Child of the week: Zayn Z-D for growing in confidence in all areas of his learning and for hearing his lovely voice at carpet time and when chatting with his friends.

Please share this video with your child : Hickory, Dickory, Dock
