

Peek at the Week

Nursery– 17th May 2024

Our Learning

Personal, Social & Emotional Development

We have been talking more about friendships and about how important it is to use **kind** words. We thought about all the kind things we could say and about the words we thought were not kind to say to others.

Communication & Language Development

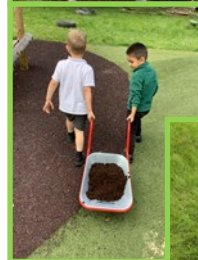

We have been enjoying our new story Jasper's Beanstalk. Please share the story with your child.

<https://www.youtube.com/watch?v=3GNuLgtGQ-I>

Physical Development

We have been working together to move our mud from the mud kitchen to our planters. We have had to use our core strength to help us dig, scoop, pull, push and tip the mud. Using all these large muscles help us strengthen our bodies and helps our co-ordination which in turn will help us develop our fine motor skills which we use for drawing and writing.

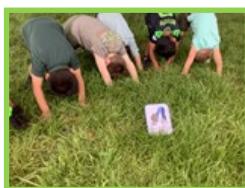

Spare Clothing

Our collection of 3-4yr old underwear, socks and trousers/leggings seems to have greatly depleted. Please if anyone has spares that they can donate to Nursery, they will be greatly appreciated. Thank you.

Monday 20th May 4pm

Play and Stay session for children moving to the Reception class in September.

Wear It Green Day

Child of the week: Amna for settling into nursery so well and always greeting us all with a lovely smile.

Please share this video and encourage your child to sing along. 'I'm a little bean'
