

Peek at the Week

Nursery– 3rd May 2024

Healthy Smiles Workshop
for parents.

Wednesday 8th May 2024 at 11:00am

Trainers

Please ensure that your child is wearing black 'velcro fastening' trainers to nursery each day. We have an active curriculum and the children are climbing, running and jumping and their feet need the extra support and grip. It is essential that they wear trainers on a Monday and a Friday for our specific P.E. session. Thank you for your support.

In our story, 'Lulu loves flowers', Lulu plants her own flowers. We have been planting our own flowers and are looking after them, hoping they will grow. First we had to drill holes in our flower pot so the rain water could drain, then we filled it with soil before planting our seeds.

Our Learning

Personal, Social & Emotional Development

We have been talking about friendships and helping the children to understand how to make friends if they feel lonely. We then talked about the different ways that we can be a good friend to make sure that everyone enjoys their time in nursery.

We have been painting pictures of our friends.

Communication & Language Development

This week we have been reading a story 'Lulu loves Flowers'. We have been finding the different verbs (doing words) and acting them out. We have been doing the actions for 'writing', 'choosing', 'buying' and 'planting'. What other verbs can you help your child to act out at home?

Please use this link to listen to the story.

Physical Development

We have been encouraging all our children to try and put their coats on and fasten them by themselves. Please encourage your child to practise these skills at home.

 **Child of the week:** Yusufali for his beautiful manners in class and always trying his best to follow the classroom rules.

Please share this video and encourage your child to sing along: 'If you're happy and you know it'
