

Peek at the Week

23.02.24

This week we have started our new topic—Traditional Tales. We are beginning with Little Red Riding Hood, and the children have really enjoyed reading a section every day, predicting what may happen next. We explored what Little Red Riding Hood may take in her basket when visiting her Grandma, and created some lovely collages!

While we had a couple of really wet days this week, it's the perfect weather to get on all our waterproof gear and explore water play! The children loved 'painting' the outdoor area and using petals in the mud kitchen.

We have not sent out new phonics homework this week, as we have been recapping sounds from last term. Please practice all the sounds that are in the home learning journal!

If you have not yet returned a consent form for SeeSaw please do so next week! We can't wait to get started with the online learning platform.

Our Learning

Communication & Language Development

This week we have recapped Spring 1 of [Little Wandle](#), looking at digraphs (two letters making one sound) and trigraphs (three letters one sound) which should now all be familiar to the children.

Phonic information for Parents [here](#)

Maths

We have enjoyed looking at time this week—the days of the week and ordering when we do certain things. Ask your child what days we do PE and see if they can remember!

Personal, Social and Emotional Development

Our assembly this week was all about Kindness! One of our school core qualities, we looked at how we can be a kind and caring member of Reception.

Physical development

We put our handwriting and drawing skills to good use when we drew a whole class picture—showing Little Red Riding Hood's journey through the forest and the creatures she met!

Reception song of the week:

[Ten Green Bottles](#)

Well done to all our Reception children this week! We have had a great first week back!
