

# Peek at the Week

## 28.06.24

It was fantastic to see some of you in for Learning Together mornings this week! We hope you found it useful watching phonics/reading, and we know the children absolutely loved having special visitors. Let your class teacher know if you were unable to make it and we can try to rearrange for this week. This week we have been practicing our songs for the Reception Graduation, which will be on July 24th at 2pm. There will be a short ceremony in the hall, before we host a garden party in the Reception outdoor area! On Wednesday afternoon we were lucky enough to watch a dress rehearsal for the Year 6 production of Aladdin. It was a fantastic performance, with Leo saying "I loved it" and Viaan commenting "Great costumes".

On Tuesday, your child will be visiting their Year 1 classroom and meeting their Year 1 teacher—which is a very exciting day!

### Important dates:

Wednesday 17th July—Sports Day

Wednesday 24th July—Reception End of Year Celebration

As the weather gets warmer, please ensure your child comes into school with a water bottle and a sun hat. Remember to apply sun cream before coming to school.

## Our Learning

### Communication & Language Development

We have finished Summer 1 of [Little Wandle](#) this week. This week's homework is a complete list of all the tricky words we have been learning over Reception, we would encourage you to read over a few at a time with your child. **Phonic information for Parents** [here](#)

### Maths

Building on our use of positional language, maths has been all about maps this week! We used a map of our outdoor area to find hidden treasure (tricky words!) and write them down. This was a very popular activity!

### Personal, Social and Emotional Development

We put our imaginations and teamwork to the test this week during our PSHE lesson. During circle time we thought about what it would feel like to be a bird-soaring through the sky, wind in our wings! We then went to the mile a day track and worked with our friends to gather up some sticks. When we came back to class we worked together to make some beautiful wind streamers.

## Reception song of the week:

[Ten Little Fishies](#)

## Well done to the Reception Children of the Week!

R Mead—Sukhmani and Reef

R Russo—Aila and Ibrahim
