Our Learning

English

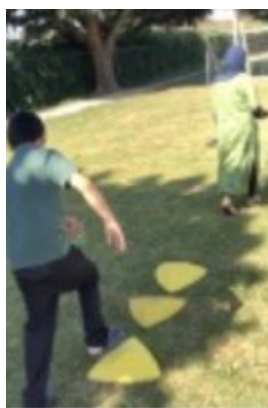

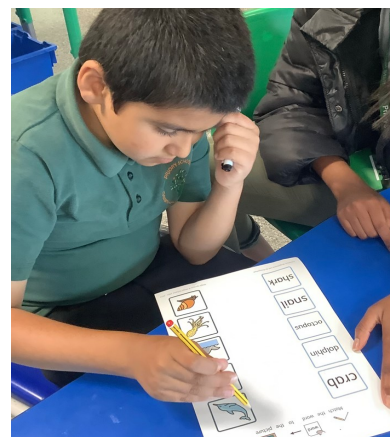

This week the children concluded their learning around Snail and the Whale. The children have recapped their learning through art activities relating to the story and have watched the film version for enjoyment–some have been able to answer questions about the story throughout this.

Maths

This week the children have consolidated some of their key skills from throughout the year including number, shape and mathematical language.

Provision

This week the children have been spending time together in preparation for transitioning to a new class. The children have also been practising their skills , ready for sports day.

Star of the week
