

Peek of the Week

The Orchard – 10th June 2022

Important

Learning together Monday 13th June and Friday 17th June—please only attend slots you have pre-booked.

Entrance via the gate to the field by our building.

Please ensure all children have a water bottle daily, a change of clothes and snack.

Please apply sun cream before school now that the weather has warmed up.

Makaton sign: snail

Our Learning

English

This week the children have been exploring a new story called 'The Snail and the Whale'. They have explored the front cover identifying some of the characters they might meet in the story, and have been doing lots of Makaton to help learn key features and characters too!

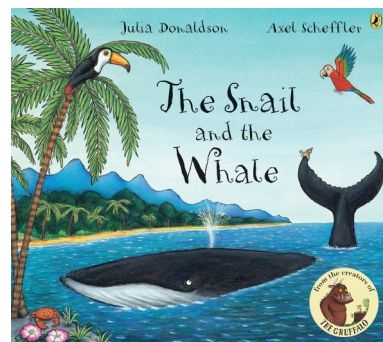

In the book, the snail and the whale go on a big adventure, but get into some strife. Can the tiny snail come up with a plan to save the day?!

Maths

This week the children have been consolidating their number knowledge through matching, ordering and counting numbers. They have also consolidated their understanding of big and small.

Provision

This week the children have been looking at everything snail and whale related. They have explored spirals through cutting, pencil control and wrap making to that relate to a snails shell, and have been exploring habitats to understand where a whale might live! The children have also started to what sinks or floats to explore what floats and sinks...

Star of the week

Pears: Azaan Oranges: Zane Apples: Levi Plums: Riley Cherries: Sammie
