

Peek of the Week

Our Learning

Our topic and information on maths and English will be in the news letter this week.

This week, we have been making crabs in art and exploring paint ice cubes during sensory play.

During our life skills session we make banana lolly pops following step by step instructions and using PECs to communicate what we want.

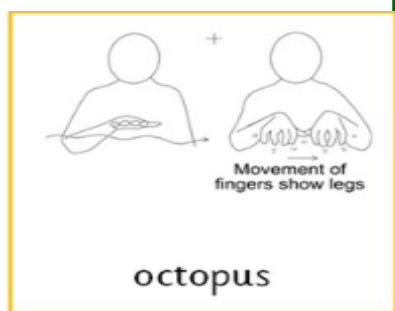

Important Message

Monday 17th July is our trip to TVLP, please make sure your child has a packed lunch, water bottle and spare clothes.
