Our Learning

Our topic and information on maths and English will be in the news letter this week.

All the classes have been following a continuous provision approach to the childrens learning.

Continuing with the theme of our new book, Sharing a Shell. PSHRE has been this weeks priority, promoting friendships and sharing through a range of engaging activities in the afternoons.

With the weather being warm and sunny, the children have been participating in sensory play most afternoons. Within water play, the children are encouraged to share cups and spray bottles to spray each other.

Within social skills, the children have been encouraged to join group play with Lego, small world toys and imaginary play to support com-
