

# Peek of the Week

## The Orchard – 19th Jan 2024

### Our Learning

Our topic and information on maths and English will be in the news letter this week.

Little Musketeers came to visit Priory this week and Cherries had the opportunity to participate in a fencing session.

This week in Science we are continuing our topic on forces and magnets, exploring the concept of pushing and pulling using bikes, toy cars and magnetic materials.

Our PHSE topic this term is 'Dreams and Goals'. We are beginning to learn what these things are and we will support the children to try to make a personal goal for this half term.

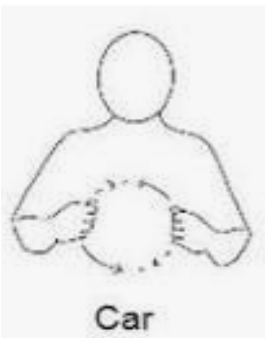

### Important Message

Orchard Learning together afternoon:  
25th Jan 2.20pm-  
2.50pm

Makaton sign:

Star of the week

Plum: Henderson
