

Peek of the Week

The Orchard – 20th May 2022

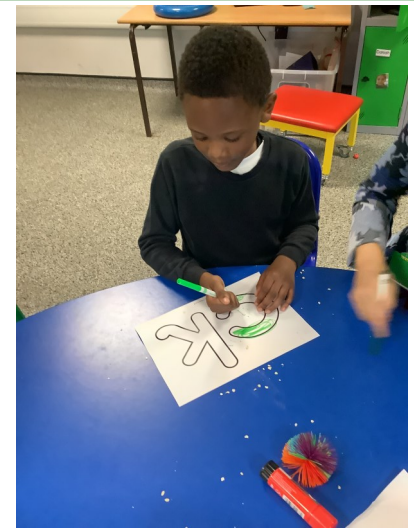

Our Learning

English

This week the children have started reading the book 'Amelia Earhart'.

The children have practised describing features of planes and Amelia using WHAT and WHAT LIKE shape coding skills. Children have also continued exploring modes of transport on the ground, air and their names.

Important Dates

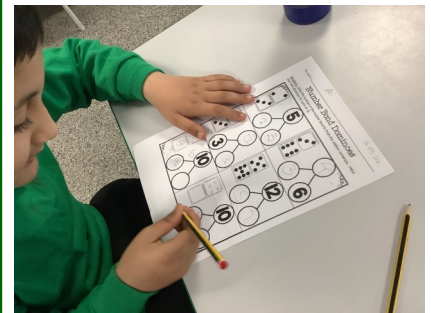

Jubilee Day Thursday
26th May

Friday 27th May INSET

Monday 13th June Coffee
Morning

Maths

This week the children have been practising counting up to 13. Children have also been consolidating their number knowledge through songs and games on Ten Town.

Children have been practising addition and number bonds up to 13.

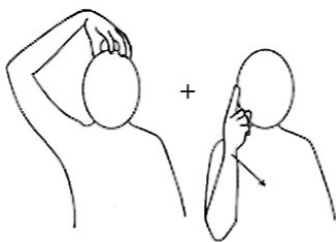

Provision

Children have made airplanes using pegs. During the art-making process, children have continued to practise requesting colours using symbols. They have also continued to practise responding to 'stop' and 'go'.

The jubilee theme has been introduced for next week's activities.
