Priory Commonwealth Games Day

Tuesday 5th July-

Transition Day

Monday 11th July-

Coffee morning-transition

Our Learning

English

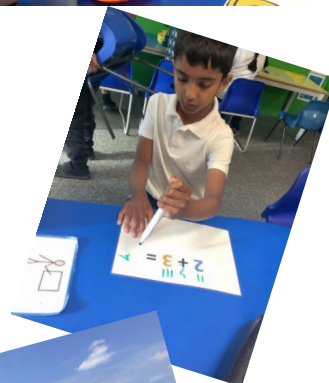

This week the children have been identifying how each character in the book feels during different stages of the story, using descriptive words to describe how we know the character is feeling this way.

Maths

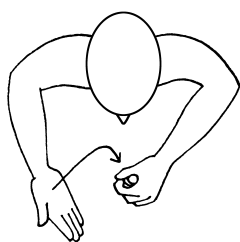

This week the children have been continuing in developing their counting and addition skills by using objects to represent number quantity as well as solving simple number problems.

Provision

This week the children have been looking at different scenes from the book 'The snail and the whale' book. The children made volcanos from paper-mache. They also created icebergs with ice cubes. The children have had lots of fun in the afternoons, playing in the water trays and sprinklers.
