

Peek of the Week

Our Learning

Our topic and information on maths and English will be in the news letter this week.

This week, we have been using different materials to explore our theme of under the sea. With sensory tuff trays and small world toys as well as symbols to support our children with their communication skills.

In art we have been creating pictures of the characters for our topic book, Sharing the Shell.

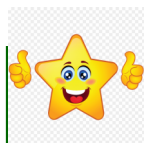

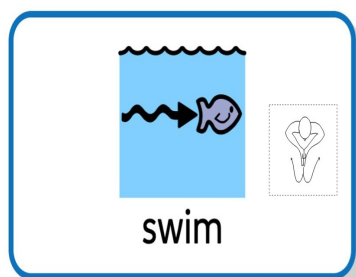

Important Message

Please remember to packed spare clothes for your child as we are doing lots of water play during the afternoons.

Please ensure your child has a water bottle and

Makaton sign:

Star of the week

Plum: Cayden

Cherries: Zidan

Pears: Ava

Apples: Jordan
