Thursday 16th May

Apple class swimming

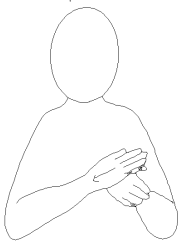

Please remember swimming clothes, arm bands and vests (your preference) and towels.

Friday 17th May

Mental Health day:
Wearing green

Makaton sign:

Half

Our afternoon learning

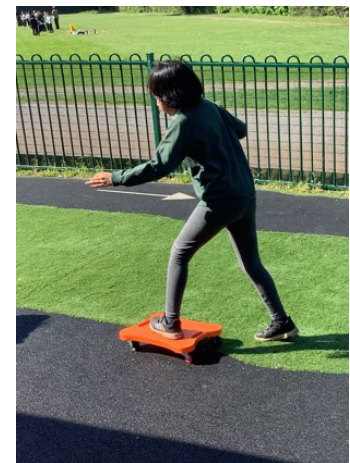

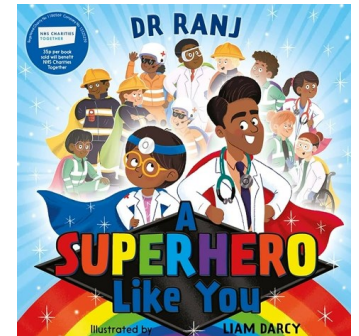

Orchard had the amazing opportunity to explore a fire engine and speak a 'safe stranger', a fireman!

In Science this week, the children have been exploring what humans need to survive. They organised the three main needs we need; air for breathing, food for eating and water for drinking.

The children have been becoming superheroes by using their capes and masks during DT. They have been acting out what a hero does to help others around them.

In PSHRE, the children have been learning about 'safe strangers' and how they help us. The children were learning that these 'safe strangers' are okay to approach if they need help.

CELEBRATE!

Cherry class: Aayan / Plum class: Henderson / Apple class: Japjot
