Makaton sign:

Happy New Year

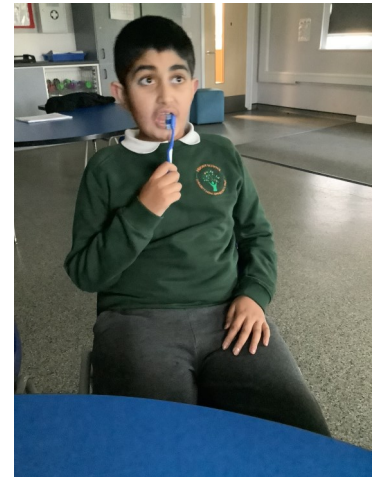

Our Learning

We hope you all had a lovely break. This week in the Orchard we have been...

Exploring and understanding others and our own feelings. We have organised facial expressions into happy, sad, angry and surprised.

We have started to explore forces in science. We used magnets to explore a range of materials to see if they are magnetic or not.

We have also been practicing our life skills and have been teeth brushing!

Star of the week

Ardsher for showing amazing phonics in Cherry class!
