Word of the week

Scotland

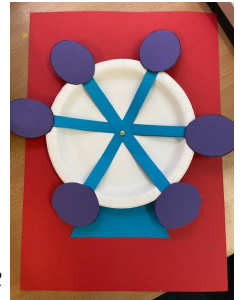

Our Learning

English

This week in class, we have been exploring verbs. We looked carefully at what the Queen was doing during the events of the story.

We matched the verbs to the pictures and used the vocabulary to write 'what doing' sentences. We also created our own spinning version of the London Eye using paper plates and split pins.

Next week, we will bring a new book – The Queen's handbag.

Mrs Toland's maths

This week, we have been using part-whole models and ten frames to solve addition problems. Next week, we will use different strategies such as counting on or pictorial representations to add.

Miss Hall's maths.

This week, Miss Hall's maths group have been using column addition to add. Next week, they will practice this method and look at adding three 1-digit numbers.

Afternoons.

This week, we have been learning about the country of Scotland. We have sorted the human and physical features such as Ben Nevis and Edinburgh Castle and made our own tartan patterns for a kilt design.

We also learnt about the mystery of the Loch Ness Monster and took part in a Nessie hunt around the school.

Next week, please could you send in an old t-shirt or apron for the children to use during our art lessons.
