Our Learning

English

This week in class, we have been exploring verbs. We used our drama skills to act out different verbs and we looked carefully at what the Queen was doing during the events of the story. We matched the verbs to the pictures and used the vocabulary to write 'what doing' sentences..

After the Easter holiday, we will bring a new book – The Snail and the Whale

Mrs Toland's maths

This week, we have been practicing our number bonds to 10. We used our fingers, Numicon and counters to find which two number add together to make 10.

After the holidays, we will be looking at subtraction.

Miss Hall's maths.

This week, Miss Hall's maths group have been practicing adding three 1-digit numbers and used their skills to solve magic squares where all the diagonals, horizontal and vertical numbers add up to the same amount.

After the holidays, they will be looking at subtraction.

Afternoons.

This week, we have been learning about Easter. We watched the Easter story and created Easter chicks that popped out of their eggs, representing new life.

We also made fabulous Easter bonnets and took part in an Easter egg hunt. Inside each egg, there were hidden letters which when put together reveal a hidden word.

The children also enjoy our messy play session using shaving foam.
