

# Peek of the Week

Woodlands

Week commencing 15th April 2024

## Important Dates

**Vaisakhi 13th April**

**Earth Day: 22nd April**

**International Dance Day: 29th April**

**Mental Health Awareness Week: 13-20th May**

**Dinosaur Day: 21st May**

**World Day for Cultural Diversity: 21st May**

## Our Learning

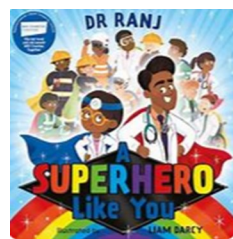

This half term in Woodland Badgers class, our topic is Occupations. Please see our Topic web on the website in our class pages section. Our book this half term is 'A superhero like you' by Dr Ranj. This week our focus has been reading the book, introducing key vocabulary and exploring the characters. We have also been focusing on our communication skills, using PECs and communication boards to request a variety of items.

In maths we have been consolidating our number line work, filling in gaps and working on 1:1 correspondence.

We have been having fun with dress up / superhero clothes in drama, exploring the different superheroes, real life like doctors or those who fly with capes!

In art this week we have been making superhero masks.

If any parents have any old dress up items or costumes that they would like to donate to Orchard / Woodlands, we would be very grateful!
