## Our Learning

### *Woodlands Owls:*

In Woodlands Owls this week we have been having a lot of fun working on our new topic book – A Superhero Like You. Its's an inspirational book that celebrates some of the key worker occupations.

We have been looking at all the different occupations and what it means to have that job, and what sort of person they need to be to do it – kind, caring, brave, good listeners, respectful and curious. We thought about how super we are and what sort of kind and brave things we have done this week. There were so many things we could think of!

In art we have made our own superhero masks to remind ourselves of just how super we are.

## Star of the week

Woodlands Owls Star of the Week is Johnny for taking part in all 4 sessions this week. :)
