Our Learning

This week: In maths, we have started learning about position and direction. Children practised quarter, half, three quarters and full turns.

In English, the children wrote a set of instructions about how to plant a sunflower. We learnt the vocabulary imperative verb and time conjunction.

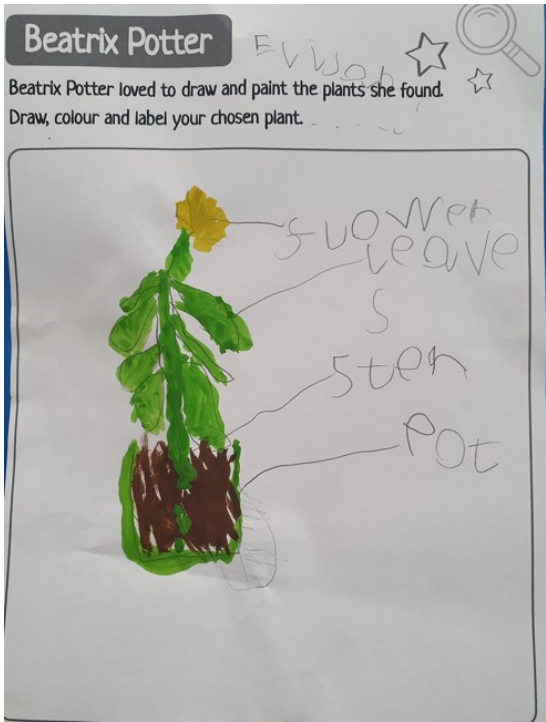

In Art, the children used wax resist to create their own flower pictures. They used different equipment for mark making.

Next week : In maths, the children will continue to learn about position and direction, focusing on left and right and forwards and backwards.

In English, the children will begin to read our new text Jack and the Jelly Bean Stalk.

In art, the children will create their own collage.

Have a good weekend!

Star of the week
