### Our Learning

**This week:** In maths, we have been learning about equal groups in multiplication. We made groups using grouping and sharing different amounts.

In English, we assessed the children on phonics sounds learnt so far ahead of the Phonics Screening.

In PSHRE, we learnt what it means to be a good friend and how to make good choices when we are playing.

The children enjoyed the trip to Bekonscot on Wednesday despite the weather!

**Next week :** In maths, we will start learning about fractions, focusing on one half and one quarter.

In English, we will start reading our new text, *The Extraordinary Gardener* by Sam Boughton.

Have a good half term!
