  - Slough Bid Competition Trip - 30th April
  - Year 1 and 2 Parent Forum - 1st May
  - May bank holiday - 6th May
  - Year 5 Fire service visit - 7th May
  - Year 6 Lion King trip - 8th May
  - Year 6 SATS week - 13th - 16th May

### Our Learning

**This week:** In maths, we have been learning and length, height and mass. We used balancing scales to investigate what was heavier and lighter.

In English, we drew and labelled an animal in a silly mode of transport. We wrote sentences about why that animal cannot go on it. We focused on using 'and'.

In Geography, we learnt about local transport hub and the use of technology at train stations.

**Next week :** In maths, we will begin to look at volume and capacity.

In English, the children will be writing a simple letter using question sentences.

In Geography, the children will finish learning about local transport with a junk modelling project.

Have a good weekend!

### Star of the week
