- Plastic free July - 3rd July
- Year 6 Summer fayre - 5th July
- Burnham Grammar Science Afternoon - 5th July
- 3Wickes Ure Museum - 9th July
- Literacy Specialist Day - 9th July

Our Learning

This week: In maths, we have been learning about position and direction. We have described movement using left, right, forwards and backwards.

In English, the children described Jack and the giant from our new text. We focused on adjectives and using the conjunction 'and'.

In Art, the children made shadows using torches to create their own pieces. We used colour to show different emotions.

Next week: In maths, the children will learn about place value to 100. This week's homework helps them with the number line.

In English, the children will be describing the settings seen in Jack and the Jelly Bean Stalk.

In Design and Technology, the children will be sampling different sandwich fillings before designing their own healthy sandwich.

Children will meet their new Year 2 class teacher on Tuesday afternoon.

Star of the week

1Donaldson: 1Jeffers:

Words of the Week: daughter, naughty, caught, taught, four, pour, roar, score, before, snore
