### Our Learning

**This week:** In maths, we have been learning and volume and capacity. The children learnt the difference between the terms and explored this is water play outside.

In English, we wrote question sentences and included them in a simple letter to the Tiger in *Don't Take an Elephant on the Bus*.

In Geography, we finished learning about transport hubs in the local area. Children used junk modelling to make local transport hubs.

**Next week :** In maths, we will be beginning to count in 2s, 5s and 10s and linking this to times tables.

In English, the children will be starting to read our next text, *Mr Grumpy's Motor Car*.

In History, the children will be learning about the history of transport.

Thank you to the parents who attended the parent forum on Wednesday afternoon. PowerPoint slides about issues raised can be found on the website.
