

# Peek at the Week

## Year 2– 1st December 2023

### Important Dates / Reminders

Please remember to complete Maths homework and read daily.

Children should complete one piece of homework each week from their Autumn 2 Homework Menu.

Please wear PE kits on a Wednesday.

When logging into Numbots, you need to log in as school not parent, it is quite confusing on the website. Then your child's log in should work.

### Child of the week

2Hawking: Minahil

2Franklin: Esther

2Newton: Ritaj

### Our Learning

**This week**, the children have been working really hard adding two-digit numbers and now they are starting to be able to apply it in different situations. They have also started working on subtracting one-digit numbers so this would be a great thing to help them with at home. In English, we have been working in role to write postcards as if we are Anna Hibiscus on holiday.

**Next week**, we are going to be continuing to look at subtraction and moving on to subtracting multiples of ten for example  $32-20$ . In English, the children are going to be writing rainforest poems and in science we are continuing to learn about living things. We are also going to be having a visitor come in to talk to the children all about Christmas and the nativity.
