

Peek at the Week

Year 2–1st March 2024

Important Dates / Reminders

Please remember to complete Maths homework and read daily.

Children should complete one piece of homework each week from their Spring 1 Homework Menu.

Please wear PE kits on a Wednesday.

When logging into Numbots, you need to log in as school not parent, it is quite confusing on the website. Then your child's log in should work.

Child of the week

2Hawking: Ishaq

2Franklin: Takshvi

2Newton: Norah

Our Learning

This week, the children have been learning about the story 'The Queen's Hat' and they are now able to clearly retell the key points in the story. In Maths, we have been learning the 2,5 and 10 times table which we would love the children to continue to practise at home. In History, we have been looking at the key changes at Windsor Castle over the year and the children made a timeline which will make our trip to Windsor Castle even more interesting this Friday.

Next week, the children are going to be planning their own stories based on 'The Queen's Hat' and we are going to do some work around our story for World Book Day ' We are going to find the monster". In Maths, the children will be practising a mixture of 2,5 and 10 times table and then we are going to be moving on to division and grouping amounts.
