Star of the week:

2Hawking: Madison

2Franklin: Khizar

2Newton: Fajar

Dates for the diary:

Windsor Castle trip– Monday 20th March.

Our Learning

This week, the children have been learning their 2 and 5 times table. It would be really great if you could continue to practise this with your child at home. In English, the children have been planning and writing their versions of the story, 'The Queen's Hat'.

The children have also really enjoyed performing to their grown ups and sharing some of their learning from this half term.

Next week, the children are going to be learning their ten times table which again it would be fantastic for the children to practise at home. It is also going to be British Science Week and the children are going to be discovering different connections within Science. They are also going to be making Scottish shortbread towards the end of next week.

Please can we remind parents that it is really important that your child reads at home as much as possible and summarises to you what they have read as this will really help them with their comprehension.
