Crayon day: Wednesday 22nd June, children should wear one colour.

Star of the week

2Hawking: Marcus

2Newton: Drew

2Franklin: Isla-Rae

Word of the week:

flatter (verb)

To flatter someone means to excessively praise and compliment someone, often with your own interests in mind.

Our Learning

This week, in English, the children have been looking at the features and structure of a persuasive letter. We have also been focusing on reading a text and answering inferential questions about it.

In Science, we have been exploring the environment in our school and investigating why animals and insects live there. We also have been growing beans hydroponically.

In maths, we have been practising counting different amounts of money and making an amount of money using different combinations of coins.

Next week, in English we will be continuing to look at the features of persuasive writing with a focus on effective vocabulary. We will also be looking at alliteration and strong adjectives to describe nouns.

In Science, we will be learning about different habitats and how the animals survive in those habitats. On Friday, we will be making our habitats using shoe boxes.
