

## Peek at the Week

### Year 2–15th December 2023

#### Important Dates / Reminders

Please remember to complete Maths homework and read daily.

Children should complete one piece of homework each week from their Spring 1 Homework Menu.

Please wear PE kits on a Wednesday.

When logging into Numbots, you need to log in as school not parent, it is quite confusing on the website. Then your child's log in should work.

#### Child of the week

2Hawking: Khadeeja

2Franklin: Keysha

2Newton: Ibrahim

#### Our Learning

**This week**, the children have been working hard learning how to subtract two-digits from two-digits in maths. In English, the children have been reading our new class story, The Secret Sky Garden and they have been thinking and acting out in role. In art, the children have enjoyed creating their own art using different contrasting colours like Andy Warhol.

**Next week**, we are going to be continuing to work on subtraction and then after that we will be applying our skills in addition and subtraction. In English, the children are going to be making predictions and start writing setting descriptions about the car park. In Science, the children are going to be looking at plants and how they grow.
