

# Peek at the Week

## Year 2–12th July 2024

### Important Dates / Reminders

Please remember to complete Maths homework and read daily.

Children should complete one piece of homework each week from their Summer 2 Homework Menu.

Please wear PE kits on a Wednesday.

When logging into Numbots, you need to log in as school not parent, it is quite confusing on the website. Then your child's log in should work.

### Child of the week

2Hawking: Emi

2Franklin: Tavia

2Newton: Aliza

### Our Learning

**This week**, the children have been busy learning about tally charts and tables this week. They did a survey on their friends and used this information to collate a tally chart which they really enjoyed. In English, the children have been looking at a poem all about the size of an ant.

**Next week**, it will be the children's last full week in Year 2. They are going to be looking at pictograms in maths and we are going to be looking at Northern Ireland in geography. The children are going to enjoy making buildings using junk modelling and in computing we are going to be continuing to use Scratch on the ipads. We are also going to be doing some transition work for the move to Year 3.
