Our Learning

The children have settled in really well to Year 2 and we are enjoying getting to know them all. They will all be coming home with a reading book on Friday for them to read at home. This book should be accessible to them so if they are struggling with it then please let the class teacher know.

Also, the children have now started daily phonics which is going well and we are getting them back into the swing of it. Just to remind you that you can help your child at home by using this website to help you:

This week, in Maths this week we have been counting to twenty, counting objects to 100 by making 10s and recognising tens and ones.

Next week, in Maths the children are going to continue to learn about place value and partitioning numbers to 100.

Please can children bring in any cardboard boxes on Tuesday for our project.
