Children should complete one piece of homework each week from their Autumn 2 Homework Menu.

Please wear PE kits on a Wednesday.

Child of the week

2Hawking: Sophia D

2Franklin: Atharv

2Newton: Emily

Our Learning

This week, the children really enjoyed putting together their own fact files and thinking about how to make them look interesting for the reader by adding in pictures and did you know facts. In maths, the children have been practising adding two digit numbers that include a number between 11-19 for example $32 + 16$ or $26 + 12$.

Next week, we are going to be continuing to look at our new book, Anna Hibiscus and the children are going to be comparing the difference between cities and villages. The children have been spending time thinking about how life is different for children around the world. In Maths, the children are going to continue practising adding two-digit numbers on a number line. In geography, the children have enjoyed looking at aerial view maps of the school and surrounding area.
