26.05.23 -INSET Day– school closed.

13.07.23–Year 2 Beale Park trip

#### Our Learning

**This week**, the children have been busy learning all about micro-habitats. At the beginning of the week, the children really enjoyed going out on to the playground and looking for different micro-habitats. Then the children have planned their own micro-habitat for a mini-beast. They have then enjoyed making their habitat in a shoe box. The children have also been learning about Christianity and the importance of Jesus.

**Next week**, the children are going to be writing their non-chronological report about a snail or a whale. We are also going to be re-capping money and continuing to practise our times tables. The children will be continuing to practise their skills for Sports' Day that will be coming up in Summer 2.
