

# Peek at the Week

## Year 2–2nd February 2024

### Important Dates / Reminders

Please remember to complete Maths homework and read daily.

Children should complete one piece of homework each week from their Spring 1 Homework Menu.

Please wear PE kits on a Wednesday.

When logging into Numbots, you need to log in as school not parent, it is quite confusing on the website. Then your child's log in should work.

### Child of the week

2Hawking: Riley

2Franklin: Aairah

2Newton: Aliza

### Our Learning

**This week**, the children have been learning all about money and they are now able to add two amounts together and they can represent amounts in different ways using different coins. In English, the children have been learning about what persuasion means and the features of a letter. In Science, we have been looking at the cress that the children planted and thinking about what a plant needs to grow healthily.

**Next week**, the children are going to be writing their letters to Mrs Foster persuading her to let them grow a beautiful garden. In Maths, we are going to be starting to look at multiplication and what is an equal group. In Art, the children are going to be experimenting with clay to create a sculpture.
