

Peek at the Week

Year 2– 20th October 2023

Important Dates / Reminders

Please remember to complete Maths homework and read daily.

Children should complete one piece of homework each week from their Autumn 1 Homework Menu.

Please wear PE kits on a Wednesday.

Child of the week

2Hawking: Amario

2Franklin: Yulia

2Newton: Nimrat

Our Learning

This week, the children have had an exciting week. We created our own Great Fire of London using the children's boxes and then we burnt it down. The children loved watching the fire and described the different senses to their class. We have then spent the week writing a recount of what we did. In Maths, the children have been adding ones using a number line which would be great for you to continue to practice at home.

After half term, the children will be reading a new book called 'Anna Hibiscus's Song.' We are going to be learning about how Burnham is different and similar to a remote village in Africa. In Maths, the children will continue adding one digit numbers using a number square.

If you would like to help your child at home, it would be great if you can read every night with them and practice numbers bonds to ten for example $8 + __ = 10$ this will really help them in all areas of Maths.
