

# Peek at the Week

## Year 2–20th May 2022

### Important Dates / Reminders

Please look out for the information page about Doodle Maths next week. The children will not be set homework until after half term.

Children should complete one piece of homework each week from their new Spring 1 Homework Menu.

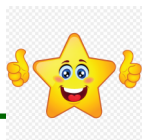

Spelling test is on a Friday.

PE kit are needed on a Wednesday.

### Star of the week

All the children have worked really hard this week and tried their best in all their assessments and we are very proud of them all.

### Our Learning

**This week**, the children have been consolidating some of the skills that they need to be really secure in. This includes: telling the time, number bonds to 20, how to use the inverse to check calculations and their 2,5 and 10 times table. This Friday, it was Football day at school and the children had a brilliant time.

**Next week**, in Maths the children will be continuing to look at time. This includes telling the time to the nearest 5 minutes. We will also be looking at the duration of how long a second, minute and hour are.

**Topic** : We will be holding a curriculum day on Monday and Tuesday where the children are going to be transported on a pirate adventure. They will explore the world's different continents and oceans and think about the animals and terrain that is found there. After creating their own treasure map, the children will write a description of their favourite continent.
