

# Peek at the Week

## Year 2– 31st March 2023

### Important Dates / Reminders

Remember to complete Doodle Learning Maths homework.

Children should also complete one piece of homework each week from their new Summer 1 Homework Menu.

Spelling test is on a Friday.

PE kit are needed on a Wednesday.

Word of the Week: determination

Follow this link to find more super daily activities: [www.morningchallenge.co.uk/](http://www.morningchallenge.co.uk/)

Star of the week:

We will do this next week as we have just returned to school.

Dates for the diary:

Beale Park trip 13th June.

### Our Learning

**This week**, the children have started learning about division. If you would like to practise this at home then for  $20 \div 5$  the children would need to share 20 between 5 groups. You could use pasta so the children can practise sharing out the amount. In English, the children have been learning about the sea-side and writing setting descriptions.

**Next week**, the children will be learning about fractions. They need to be able to identify and draw a half, quarter and a third. Then we will be looking at the properties of 2D and 3D shapes. In English, we will be doing an enactment of 'The Snail and The Whale' and the children will be writing an email about what happened.

In Science, the children will be starting to learn about habitats and identifying objects that are: alive, dead and never alive.
