

# Peek at the Week

## Year 2–23rd February 2024

### Important Dates / Reminders

Please remember to complete Maths homework and read daily.

Children should complete one piece of homework each week from their Spring 1 Homework Menu.

Please wear PE kits on a Wednesday.

When logging into Numbots, you need to log in as school not parent, it is quite confusing on the website. Then your child's log in should work.

### Child of the week

2Hawking: Krisha

2Franklin: Saifullah

2Newton: Anaya

### Our Learning

**This week**, the children have been working hard looking at different London monuments and writing descriptive phrases about each one. In art, the children have really enjoyed creating their own sculptures using natural resources. In Maths, we have continued with our multiplication unit and the children are now learning how to create arrays.

**Next week**, the children are going to be working on the two, five and ten times table in their Maths lessons. In English, they are going to be looking at our new story *The Queen's Hat* and the different monuments that you see along the way. In History, the children are going to be looking at the key events that have happened at Windsor Castle over the years and then locate them on a time line.
