

Peek at the Week

Year 2–23th May 2024

Important Dates / Reminders

Please remember to complete Maths homework and read daily.

Children should complete one piece of homework each week from their Summer 1 Homework Menu.

Please wear PE kits on a Wednesday.

When logging into Numbots, you need to log in as school not parent, it is quite confusing on the website. Then your child's log in should work.

Beale Park Trip: 12th June 2024

Child of the week

2Hawking: Sofia W

2Franklin: Kabir

2Newton: Scarlett

Our Learning

This week, in Maths, the children have been learning about the inverse and if there is a missing number in a calculation then they can use the inverse to help them solve it for example if it is addition they can use subtraction and vice versa. E.g $11 + ____ = 20$

In English, the children have been reading the story, 'How to clean a woolly mammoth' then writing their own instructions about an oily polar bear or muddy elephant and using good imperative verbs.

After the holidays, we are going to be moving on to learning about 2-D and 3-D shapes. In English, the children are going to be reading a poetry book called 'Poems to Perform' and we are going to be sharing poetry with our class. In geography, we are going to be learning about The United Kingdom and the different countries that are part of it.
