Word of the Week: busy

Follow this link to find more super daily activities: www.morningchallenge.co.uk/

Star of the week:

2Hawking: Lillyanne

2Franklin: Ibrahim

2Newton: Amber-Rose

Dates for the diary:

Parent assembly– Thursday 9th March

Windsor Castle trip– Monday 20th March.

Our Learning

This week, the children have been continuing to learn about multiplication and solving calculations by drawing the groups for example 3×2 , the children would draw 3 groups of 2 and then add them or they might count in groups of 2 until they reach 3 groups.

In English, we have been learning about the main London Landmarks and the children have written their own descriptions of one of the landmarks. We are hoping to share these in our Parent Assembly on the 9th March. The performance will not go on any longer than 30 minutes.

Next week, we are going to start looking at arrays in Maths which will include the children drawing their own arrays to help them solve multiplication number sentences. In English, the children are going to be preparing to write their own version of 'The Queen's Hat'. They will be looking at different ways to start a sentence. We are also going to start preparing for our performance to the parents. It would be great if the children can continue to practise learning their song words in preparation for the performance.
