Our Learning

This week, Year 2 had a fantastic time on their trip to Windsor Castle. It was wonderful for the children to see the beautiful rooms, the guards and the wonderful view over Windsor. We were very lucky with the weather and the children all came home with a smile on their face. This week, we have been writing recounts of the trip and we have been looking at the difference between even and odd numbers.

Next week is another busy week for Year 2. The children have got an Easter Egg hunt at the end of the week and the annual school talent show which is always great fun. Also the children will be learning about Judaism. Please can the children read at home as much as possible and if you are able to ask them questions about what they have read that will really help them to improve their comprehension skills. The children also need to regularly practise their 2,5 and 10 times table so they don't forget them.
