#### Our Learning

**This week**, the children have been working hard learning all about money. If you could spend some time with your children looking at the different coins and their value that would be great. They could even practise playing shops at home and pricing different items in the kitchen. In English we have been writing setting descriptions and thinking of effective adjectives.

**Next week**, we are going to be continuing to work on money and learning about how you can make amounts in different ways. In English, we are going to be looking at persuasive language and in Science they will continue to learn all about Growth.
