

Peek at the Week

Year 2– 27th January 2023

Important Dates / Reminders

Doodle Maths work is set every week.

Children should also complete one piece of homework each week from their new Spring 1 Homework Menu.

Spelling test is on a Friday.

PE kit are needed on a Wednesday

Star of the week

Hawking: Malaika

Franklin: Ellis

Newton: Mohid

Word of the Week: Everybody—it would be fantastic if the children can learn to spell this too.

Our Learning

This week, the children have been working hard in Maths to determine the difference between addition and subtraction. The children know that they need to look for the symbol to determine which calculation to do.

The children have enjoyed having their grown-ups to see their work this year.

In English, the children have been thinking of adjectives to describe The Secret Sky Garden and then they have used these to write a settling description.

In Geography, the children have been learning about compass directions– North, South, East and West.

Next week, the children are going to be moving on to think about multiplication and this unit starts with the children recognising and creating equal groups.

In English, the children are going to be writing a persuasive letter to persuade Mrs Foster that they need a wildlife garden.

In Geography, the children are going to continue learning about continents and oceans.
