Our Learning

This week, the children have been thinking about what Vlad the flea would have seen and smelt during 'The Great Fire of London'. The children acted out the story and then they wrote their own descriptive sentences. The children need to continue to practise spelling their tricky words that do not follow the phonic rules. Please ask your child's class teacher if you would like a list of these words for your child to learn.

Next week, the children are going to be enjoying having some of their parents in school for our learning together morning. We are also going to be learning about counting in twos, fives and tens. In English, the children will be writing their own version of Vlad and The Great Fire of London. Then in science, the children are going to be continuing to learn about the properties of materials.
