Follow this link to find more super daily activities: www.morningchallenge.co.uk/

Star of the week:

2Hawking: Ibrahim

2Franklin: Mannat

2Newton: Amber

Dates for the diary:

Parent assembly– Thursday 9th March

Windsor Castle trip– Monday 20th March.

Our Learning

This week, we have been looking at arrays in Maths which has included the children drawing their own arrays to help them solve multiplication number sentences. In English, the children have been preparing to write their own version of 'The Queen's Hat'. They have been looking at different ways to start a sentence and how to write verbs in the past tense. We have also been preparing for our performance to the parents. It would be great if the children can continue to practise learning their song words in preparation for the performance.

Next week is another busy week for the Year 2 children. On Thursday, the children will be performing some songs and retelling a story which they are all very excited about. In preparation for that we will be practising quite a lot in the hall. In English, the children will be writing their King's Hat story. In Maths, the children will be learning their 2 and 5 times table if you can practise these times table with your child, it will really help them in their Maths lessons.
