Word of the Week: respect

Follow this link to find more super daily activities: www.morningchallenge.co.uk/

Star of the week:

2Hawking: Malaaika

2Franklin: Aarya

2Newton: Lucas

Dates for the diary:

Beale Park trip 13th June.

Our Learning

This week, the children have had a busy week. They have been practising some reading comprehension and they have been working hard on their Maths' reasoning skills. They have also enjoyed taking part in the Easter Egg hunt and watching the annual Priory School Talent Show. They have also been learning all about Judaism and Passover.

After the holidays, we are going to be looking at the story, The Snail and the Whale which will be good fun. If the children can be reading as much as they can over the holiday and if you are able to ask them to summarise the text that will really help with their comprehension. In Maths, we are going to be looking at sharing and grouping for example sharing 12 into three groups or grouping 12 in groups of 3. Then we will start looking at Habitats and Minibeasts in preparation for our trip to Beale Park later in the Summer Term.
