

Peek at the Week

Year 2–8th March 2024

Important Dates / Reminders

Please remember to complete Maths homework and read daily.

Children should complete one piece of homework each week from their Spring 2 Homework Menu.

Please wear PE kits on a Wednesday.

When logging into Numbots, you need to log in as school not parent, it is quite confusing on the website. Then your child's log in should work.

Child of the week

2Hawking: Emilano

2Franklin: Qaim-Deen

2Newton: Rudranshi

Our Learning

Last week, the children had an amazing time at Windsor Castle. They particularly enjoyed watching the guards and spotting the dragons in St George's Chapel. The children were well-behaved and it was a very successful trip. We are now getting excited for our next trip in June to Beale Park. **This week**, the children have enjoyed reading the story 'We are going to find the monster' and creating their own monsters. In Maths, the children have been continuing to practise their 2,5 and 10 times tables and apply in word problems.

Next week it is STEM week, on Tuesday the children are going to be taking part in a Maths' puzzle workshops and we are going to be doing Science sessions all about 'Time.' It would be really helpful if you can practice telling the time with your children at home. In English, the children are going to be writing stories inspired by 'The Queen's Hat'.
